

FACTORY ENOVA - Fe

Orange County's First Membership Based Laser Engraving and Cutting Studio

Position: Intern

Factory Enova is looking for bright, responsible and enthusiastic individuals to become our next intern. This position is open to anyone over 18 years old attending an accredited college or university. Prior laser experience is not necessary but will be expected to learn. Artistic or creative abilities are a plus. We are looking to fill this role by Mid-February 2014.

What is Factory Enova?

Factory Enova is the first membership-based studio that provides members with access to laser cutting/engraving machines, instruction, and a community of creative and supportive people.

To learn more, visit our website: www.FactoryeNova.com

Responsibilities:

- Provide research on potential and existing clients and the competitive landscape
- Monitor news and developments relating to, or impacting, key clients/prospects
- Assist in identifying potential business opportunities
- Social Media & Content Writing
- Attend in-studio and collaborative events
- Dropping off marketing material at local schools and orgs
- Commitment of 10 – 20 hours a week excluding finals week

Qualifications:

- Attending an accredited college or university
- Reliable transportation
- Sound communication and exceptional people skills
- Basic to intermediate computer skills including Internet, Email, Google Calendars, Word and Excel
- Experience and/or course work in any of the following: CorelDraw, Illustrator, Photoshop, Solidworks, AutoCAD, or similar graphical software is a PLUS
- Attention to detail and great organizational skills

Compensation & Benefits Include:

- College Credit
- Free Membership
- Free Classes
- Learn how to use various desktop machinery such as CO2 Lasers and 3D Printers
- Learn about business strategy, sales, and marketing
